## CHROME BILLET FOOTPEGS & BLACK ANODIZED BILLET FOOTPEGS

### BILL OF MATERIALS

Quantity	Part
2	Chrome or black anodized billet footpeg
4	Footpeg washer

 **MAINTENANCE:** To keep your new footpegs looking their best, apply a high-quality chrome polish to them (for chrome pegs) or clean them thoroughly (for black pegs) every time you detail your motorcycle.

**WARNING:** Your safety depends on the correct installation of this kit. Use appropriate service manual procedures. If the procedures are not within your capability or you do not have the correct tools, have a trained mechanic/technician install this part for you. Improper installation of this part could result in injury or death.

**STEP 1:** To begin, remove the existing footpegs, as per the specifications listed in the appropriate service manual for your year and model of motorcycle. Inspect the footpeg and foot control brackets on your motorcycle and check for any wear or damage, replace as necessary. The new Battistinis footpegs can now be installed.

**STEP 2:** Complete the installation the new Battistinis footpegs as per the specifications listed in the appropriate service manual for your year and model of motorcycle. You are now ready to enjoy your new Battistinis footpegs. Enjoy!
